OUR TRAINERS

Daniel Wolfram

Daniel Wolfram was born in 1987 and is currently U14-junior coach at the 1st FC Union Berlin’s youth academy. He holds an official licence as youth trainer (DFB Elite Youth License) and will complete his degree studies in Sport and Training Sciences in 2016.

Daniel Wolfram has worked as a coach since 2007 and gained his experience at all training levels: from the grassroots level sport in kindergartens, schools and clubs to the youth training sport at the 1st FC Union Berlin.

Through this experience he has learnt how to provide the players with an optimally tailored training program according to the participants’ individual skills. Only in this way is it possible for each player to improve his own performance. This improvement is all-important in benchmarking Daniel’s success in youth level training work.
OUR TRAINERS

Steven Duessel

Steven Düssel was born in 1990 and has worked as a trainer for different age groups for 7 years. He is currently employed at the SV Empor Berlin as coach of the U11 team and works with various schools and at holiday camps events. He holds an official licence as youth trainer (DFB Elite Youth License). Besides, he will complete his degree studies in Sport and Training Sciences in 2016.

After one year as social volunteer in a child care center focused on sport, Steven acquired different types of qualifications as a football coach. In his career as a coach he has obtained a long experience working with children and youth of different age groups. This experience offers him the ability to provide individually tailored and age-appropriate training programs.

Only through an appropriate customization of the training, it is possible to ensure the optimisation and the development of each individual's performance. This idea represents for Steven Düssel both the basis and the goal of the coaching work, especially at the youth level.
SOCCER TRAINING

- Age Groups: Junior 12-15 / Senior 16-18
- 10 training days with German League Coaches (Bundesliga)
- Exclusive Training Kit (excluding shoes)
- On site physiotherapist and AOK sport insurance
TRAINING INCLUDES:

• Ball control
• Dribbling
• Passing
• Shooting
• Crossing
• Heading

For each of these techniques there will be a test procedure to review the development of the players.
