| Please Select (final output) | | £ | Please Select |
| Project Total: | | £ | % |

- Most projects have **3 - 4 outputs**, depending on project length.
- The IGC has an overarching aim of taking research into policy, thus IGC funded projects require a **Project Influence Plan** at the start of the project and a **Project Influence Report (PIR) and policy brief** at the end.
- As part of the IGC's goal to bridge the gap between research and policy, we encourage researchers to include a **blog post** as a project output
- Please allow 4 weeks between the start date of your project and the first output of your project

For the first output, a maximum of 30% of the funding can be released. For the final output, a minimum of 20% of funding needs to be reserved.
