## Programme Highlights

The course will provide you with an opportunity to:

- gain practical knowledge about the essential ingredients of successful academic and report writing;
- become familiar with many important considerations of which academic/report writing is a product;
- learn through practice how high quality academic texts can be created;
- develop practical understanding into constructing an academically sound and conceptually well thought-out research proposal for thesis research;
- acquire deeper practical understanding into writing research report/thesis;
- understand the nuances of use of language (English) in academic texts; and
- understand the structural and organisational issue involved in producing a coherent academic report.

## Programme Facilitator

Dr Takbir Ali is an Assistant Professor and Head Outreach at the Aga Khan University-Institute for Educational Development, Karachi, Pakistan. He has extensive experience in conducting research, publishing research, developing projects/research proposals and writing reports for various purposes.
